# State Seals | General Information

## Woman-Owned Small Business

### STATE SEAL INFORMATION

- The seals displayed on our web page and any of our literature are for reference only. They do not infer any endorsement by the agency or organization, listed or displayed.
- Our seals are formed in butyrate plastic, custom detailed and foam filled with poster board back and a saw tooth hanger. Information for seals, sizes and materials used. <http://www.wallseals.com>
- They are available with a golden bronze ox or silver ox finish.
- Our state seals were originally created approximately 15" in diameter.
- We can produce new state seals 19" for longest dimension. If you would like to have your state seal made in the 19" size, we would need vector art work to make the new size.
- As state seals become available in 19" size, we will post their availability on our web page.
- Sizes larger than 19" can be produced in our painted resin up to 36" diameter.
- We do offer state seals in full color but we would need PMS colors for the seals.

### Notes:

- Prices for state seals mounted on 18x18" walnut finished panel will be quoted upon request.
- Price quotes for quantities above 10 seals are available upon request.
- You may use total quantity ordered for pricing.
